

PRESS RELEASE - FOR IMMEDIATE RELEASE

CORNERSTONE VALVE ACQUIRES Eii VALVE CO.

Cornerstone Expands Valve Product Offering

Cornerstone Valve announces the acquisition of Eii Valve Company, a Houston, TX based U.S. manufacturer of floating ball, trunnion ball, gate and piston check valves.

Cornerstone Valve, a Houston, TX based valve manufacturer since 1990 continues to expand in the Oil & Gas, Subsea, Mining and Pipeline markets.

Cornerstone Valve exhibited the new product offering during the Valve World Americas tradeshow in Houston, TX June 25 & 26, 2013.
